# SERVICE LEARNING EXPRESSIONS

Wednesday, July 19, was the culmination of our Service Learning Project with the Nature Hill Intermediate students. Last year we had a work day at Oerding Park cutting walking trails. At that event, three Kiwanis Club scholarships were presented to individuals signed up for the Dominican Republic trip. Our club had one request of the scholarship winners – Please attend a Kiwanis meeting and share your trip experiences with us.

Shelly Grothaus, trip leader and teacher, gave a summary of the trip week, covering their introduction to the community where they worked, the days spent working, the nights they spent dancing, and the trip to the Ocean and mountains.

We had the three scholarship winners, Addy Muldar, Ryder Smith, and Emma Wagner each give us their view of the trip and describe their efforts to help the community which served as their host. They all gave Kiwanis a big thank you for our participation.

Elyse Grothaus, who served as a teacher helper, also gave comments about her trip experiences and expressed how much she enjoyed having the opportunity to use her Spanish language skills.

Finishing up the presentations, we presented the kids with a copy of the park signs identifying the participating schools and Kiwanis as the trail blazers, June 22, 2016.

Every one expressed appreciation for their participation in this learning and sharing experience. Combining a student international work/travel experience with

our Oconomowoc educational expertise proved to be a winner for everyone.

**THANKS TO JACK GROTHAUS FOR PUTTING THIS PROJECT TOGETHER AND FOLLOWING IT TO THE END WITH THIS GREAT PRESENTATION AND THE SIGN TO BE POSTED BY THE TRAIL.**

## **INDEPENDENCE DAY PARADE ON JULY 1<sup>ST</sup>**

Once again we had a great turn out to walk in the parade . The weather was good. We missed the down pour that was just to the North. We had a few sprinkles just before the parade. We handed out about 2000 Kids From Wisconsin flyers. Some of us stopped at the Rotary stand for a beer and a brat after.

Missing in the picture is Steve Schmiedlin who was already down the road handing out flyers.

## **KIDS FROM WISCONSIN**

### **PICTURE OF THE KIDS FROM WISCONSIN AND THE 20 PARTICIPANTS IN "REALIZE YOUR DREAM"**

The July 29th Kid's From Wisconsin Show was fabulous, many I visited with, felt it was one of the best. Unfortunately the turnout was down, about 70 from last year at 340, we'll come up short of covering all our expenses, even with our sponsorship. We had about 20 outreach kid's for Realize your dream, again thanks to Jerry and Sue for giving each child a picture of them and a KFW. After visiting with Tina Weiss, Executive Director, and many of the Kid's they love coming to Oconomowoc Arts Center, it gives them a professional feeling and the facility is awesome. One mother of a staff member from Muskego told me when her daughter was performing with the KFW, a few years ago, said there clearest and best video show was in Oconomowoc Art Center. The Kid's From Wisconsin supports our mission, doing something for kids, with the outreach and the KFW, supports our senior citizens, our community and most of all our Oconomowoc Art Center. We as a community are blessed to have such a great Art Center. I'm looking for feed back on what to do in the future. Thank you Andy

**CHRISTMAS IN JULY  
BRAT SHACK AT PIGGLY  
WIGGLY  
FUNDRAISER FOR  
CHRISTMAS PARADE**

**This was our first go at the brat shack and it went very good. The weather was perfect . The crowd enjoyed our Christmas tree lights, decorations and Christmas music. Piggly Wiggly thought this idea went over good. Our net profit was \$799.00 and we collected another \$250.00 in donations for the parade . Our goal was \$1000.00 so we were just over. The store tells us that we did better than the average of about \$650.00.**

**Thanks to all the members who helped. Also thanks to Nadine Slowinski , Linda Steinlein and Sue Schneider for their help.**
