June 2016 has past, and now we are starting July. Our club has done a lot in the year and nine months in my term of Presidency. July and August look to be quite busy, and I want to thank all the club members for your support, and volunteering.

I want to thank Jack Grothaus and his Daughter-In-Law Shelly, a very super job for the organizing of the Students from Nature Hill in helping to put a walking trail in at Oerding Park. If you get a chance, and were unable to participate on June 22nd please take a ride to the park, and see the trail. The students along with some city workers, and our members worked hard. Thanks again to our members who helped on this community project.

Will Pestka did an outstanding job on the Eagle Scout project of the Community Church signs on Hwy 67 and E Wisconsin Avenue.

Carolyn is planning our summer outing for Saturday July 9th starting about 1:00. It will be at her place on Okauchee Lake. Lunch and boat rides. Bring your own beverage(liquor). She will have water, ice tea, lemonade. Jerry will bring a wine punch. The Board has approved \$500.00 from our Administrative Funds so the cost should be minimal.

Sounds like fun !! Please RSVP to ckcrom@yahoo.com or 262-567-9003
Thanks Carolyn

KIDS FROM WISCONSIN

The performance will be Friday July 29th at 7:30 PM at the OAC. We all know what a great show they do with all of their talent and energy. Please encourage your family, friends and everyone you have contact with to attend the show. Because of a system change over tickets won't be sold by the OAC until July 16th.

Seeing their show at the OAC in comfort beats going to the State Fair out in the heat and only seeing segments of the show at a time.

We are counting on our members to get the word out and ask people to attend to support our club, the OAC and the **KIDS FROM WISCONSIN**.

Also that day the **KIDS** are offering the "REALIZE YOUR DREAM" program from 4:00 to 5:00 PM to children ages 7 to 13. This is a free program where they get to work with the **KIDS** one on one. They will get a picture of themselves with a **KID**, refreshments and a ticket to the show.

A flyer for this is attached at the end of this newsletter.

HERE IS A LIST OF THE SONGS THEY WILL BE PERFORMING. LOOKS LIKE A GREAT LINE UP WITH SOMETHING FOR EVERYONE

GLOBAL SERVICE LEARNING PROGRAM

THANK YOU KIWANIS CLUB!

This is the message on a card made by Nature Hill students expressing their thanks to Kiwanis for the June 22 trail blazing day at Oerding park. It was a big success!

We had 16 students, 3 teachers, 3 Park and Rec employees and 9 Kiwanians who worked. Also, 2 city aldermen, two student award winners along with their their parents, newspaper reporters, and several other guests attended.

A big thank you goes to Fox Brothers Piggly Wiggly, Subway and the Kiwanis cookie bakers for providing lunch.

A Service and Learning Scholarship in the amount of \$500 was awarded to Addy Mulder and a \$250 scholarship was awarded to Ryder Smith. These scholarships are to be used to travel to the Dominican Republic Service and Learning program in the summer of 2017.

A big thank you goes to the city Park & Rec department for all their help in laying out the pathways to be created, for providing equipment to be used, for providing people to run the chain saw, and for the chipper to clean up all the branches the workers hauled out.

A big thank you goes to the Kiwanians who gave of their time and put great effort into making this day of community involvement so worth while. Not only did we accomplish our work goal, we learned that there is no generation gap when working together to accomplish a worthy goal.

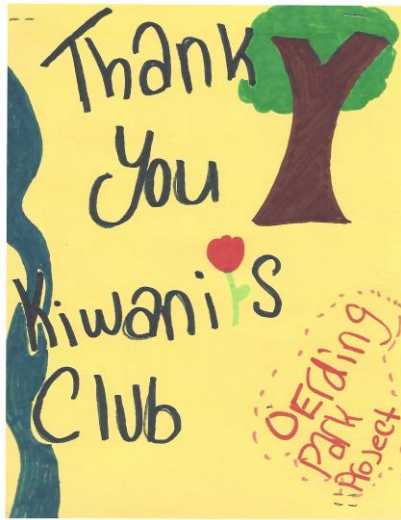

A big thank you to our Board of Directors for seeing the value in this program and for making funds available for our Kiwanis Service and Learning Scholarships.

Jack Grothaus

CLUB MAKES DONATION TO LAKE AREA FREE CLINIC

Jim presented a check for \$1000.00 to Dr. Peter Geiss from the clinic. This was the last check of a \$5000.00 commitment the club made to the clinic. Our name was put on one of the doors inside the clinic for this donation.

He also spoke about the new Dental Clinic they plan to open in about 1(one) year. Many other health issues arise from poor dental care so they feel this a very important step in caring for the people who come to the clinic.

They are in the process of a fund drive for these capital improvements for remodeling, equipment etc. Gert Wilkinson is on that fund raising committee.
