## President's Corner – Jerry Schneider

Andy Wagner , John Koehn, John's son Mike and myself participated in the chamber golf outing. We met and talked to a lot of people. Some that I had talked to about membership in the past and plan to contact them again.

The golf start was delayed a half hour due to the rain and was cut short by the storm that moved in. Most golfers got about 9 holes in.

Glad we could support the Chamber. No money was paid for this by the club.

We have been making corporate contacts for membership and

hopefully we can get some more signed up.

We have signed up several new members this past year which have been a great addition to our club. Thank you for your commitment.

Please keep telling people about Kiwanis and all the good we do in the community. Bring them to a meeting. Tell them about your "KIWANIS MOMENT" so they know why we do this.
