Meetings - 1st 2nd & 3rd Wednesday at 7:15 AM
Café Labelle at the Life Enrichment Center-Shorehaven
1306 West Wisconsin Avenue

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.

Presidents Corner- Jerry

We are now starting our new fiscal year as of 10-1-2018 to 9-30-2019. Thanks to everyone who has made this past Kiwanis year another great one. Hope everyone has experienced some “KIWANIS MOMENTS”. I have and it is such a great feeling of satisfaction to know your efforts are appreciated by the groups we support.

At the FFA farm day the officers , members and Marge (teacher) were so happy with our continuing participation and support. Please read the attached letters from The Badger Girls State participant and the WILS- Wisconsin Leadership Seminars participants. So gratifying to see the impact our club has by supporting these. These are just a few that we support. As a reminder I have attached an updated sheet listing most of the

groups and events we support. It takes a lot of volunteer hours to accomplish all of this so again thanks to everyone.

It also takes money to support these. Our biggest fundraiser is next month- Shrimp Dinner. Please sell tickets as presales are critical to the success of the dinner. Maybe a few could work on contacting a few businesses for tickets for their employees as a reward.

Also we need help with the silent auction items.

As I start my 2nd year as President I look forward to working with everyone to continue the impact we make in the community. We also need to work on membership. We have signed up several this past year but have lost some which is a continuing cycle.

Have a great October and enjoy the Fall and hopefully great colors.

BLOOD DRIVE

Thanks to all who worked the Blood
Drive on September 25th- Len Z.,
Gert, Fred Steinlein, Jane and Jerry.

We had 13 units collected. (Their
goal for us was 16.) This was up from
7 in July. Blood Center told me that
summer is usually down. I believe in
the past we had 20plus or minus

Every unit they collect is very
important.

The next Blood Drive will be on
Tuesday November 20th.

Thanks to Kathy Kaempf for
the many years of chairing this
project.

Unfortunately Kathy has resigned
from the club so she will need to be
replaced if we continue this.

I suggest we have a club discussion
about this at an upcoming club
meeting after we have the Blood
Center in as a guest speaker-
Tentative Dec. 5th.

I am checking to see how long we
have been doing this with the Blood
Center. I show we started by helping
Dr. Martin Luther Church around
2006 before we took it over
ourselves.

If we continue maybe co-chairs
would be good .

SHRIMP DINNER- NOV. 4TH

SAVE THE DATE. Need all hands on deck.

Tickets and flyers are ready. Andy will have them at the meeting on the 3rd.

Please take some flyers to take to the businesses you frequent and to other businesses.

While you are there ask for a silent auction item. Chet and Steve have a list. If you are unsure just ask the business if someone from Kiwanis has already asked them.

This is a big task so every ones help is needed. The more items the more profit.

We have letters for solicitation of items. Please get some to call on businesses. We were down in collections last year so let's try to improve that. The silent auction raises almost half of the profit of the Shrimp Dinner which is our biggest fundraiser so it is very important we have plenty of good items.

VERY IMPORTANT

Please leave the top part of the letter with the business and completely fill out the bottom part and turn in with the item so Paula knows the name and

value and can add the name to the master list.

Also a great time to ask them to buy some tickets. Suggest they may want to reward their employees and themselves with a great meal.

SATURDAY, DECEMBER 1ST

The Christmas Parade Committee will be meeting Saturday October 20th at 8:00 a.m. at the Café at Shorehaven.

We are receiving entries already. The Christmas Banner at the round-about, and flyers are in the making. This year we are having the Yankee Dutchman Band, and they will be performing after the parade at Lakerz Bar and Grill. Lakerz has given us a donation towards the cost. If you know of anyone wanting to be in our parade direct them to our web page, and have them sign up.

Thanks

Jim Fulmer

FFA FARM FIELD DAY

This is annual event that the FFA holds at their farm field for all the 4th graders in the school district. They put in a lot of work setting up all the different displays such as sheep, goats , horses, etc. along with info about farms.

We presented them with a check for \$1000.00 which is used for some of their projects and trip to the annual national convention.

Pictured from left to right Bill Peebles, Steve Schmiedlin, Sandy Karkossa, Andy Wagner and Jerry Schneider (Kiwanis Members) Luke Peterson, President, Brenden Christenson, Farm Manager, Emma Schumpers, Vice President and Nicole Shaw, Vice President.

They are always very happy that we attend to see their accomplishments. We should be very proud of this FFA school group and their teacher, Marge Waite.

THE WEATHER WAS GREAT
